Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

Thank you for the opportunity to comment on the guidelines.

I fully endorse the submission made by OUR PLACE and would like to add that the lack of consultation with Tasmanians is totally unacceptable.

I have read and fully endorse the submission made by Our Place - Hobart.

Genuine consultation on this contentious issue should be driven through an opportunity for all Tasmanians to vote. A democratic approach will empower Tasmanians and provide a true reflection of public opinion (and a more amenable community, whatever the result). A dictatorial approach only creates hostility.

Yours faithfully,

Deborah Bordeau
