Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I wish that Tasmanian's had a say to this project, in the way of an early election, and if the Liberals win with a MAJORITY, then, and then only, do they have a mandate for the stadium. To win in minority will not give them a mandate. We are a democratic country and we should not be dictated to by the AFL.

I have read and fully endorse the submission made by Our Place - Hobart.

I don't want the guidelines to reflect an assumption that Tasmanians can't have AFWL and AFL teams without having a costly, poorly-planned and ugly stadium at Mac Point.

Yours faithfully,

David Banfield
