Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

A stadium on that special piece of land would be appalling. The design is ugly and domineering. It would be the first sight for visitors as they cross the bridge to enter the city. A stadium is a narrow and unnecessary use of the land. Why not a space which helps in the need for Aboriginal reconciliation? Additionally, I have been appalled by the lack of transparency in the decision making process so far.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Caroline Gardner
