Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

To the Tasmanian Planning Commission, My name is Jeff Camp and as a concerned citizen I have added my name to this submission. It is a tragedy that the public needs to go to this length to get transparency on this development, when the Government has continued to be so secretive. Let's hope the commission can head the community's concerns and look into all aspects of this unquestionable bad project.

I have read and fully endorse the submission made by Our Place - Hobart.

It seems successive Tasmanian Governments have ignored what developments Tasmanians actually want in the state. Hopefully this submission gives the Commission a better idea.

Yours faithfully,

jeff camp
