Subject: Cease and Desist Cellars Hill Wind Farm Immediately Now. Use Rooftops Only for all wind and solar in Tasmania

To those who must resign Immediately

Matters of National Environmental Significance in Tasmania are these :-

- Protect Every Single Tree still standing in Tasmania today.
- Stop Renewables Now.
- Remove the humans Harming Tasmania being gov.au, gov.au-multinationals-global, tas.gov.au plus vic.gov.au Immediately. Make them Responsible into Forever meaning Forever.
- I Demand Bob Brown run Tasmania now from now. Tasmania is in the Wrong Hands Absolutely.
- Senator Lambie will be Responsible.

How Dare You threaten this island , never meant to be found by Europeans, absolutely, who are Destructive Human beings Our Precious Precious Precious Lands Waterways and Communities Tasmanian and Australian and World's nb World's and World's, for No reason but a Scam named:-

- climate change which is really the Destruction of Nature by gov.au, gov.au-multinationals-global, tas.gov.au, vic.gov.au for No reason No reason No reason when Alternatives Exist.

Rooftops Only for All wind and solar in Tasmania and Hydro does the rest and Victoria Stops Harming Tasmania.

You are Awful human beings Harming and Causing Loss to Tasmania
