To Tasmanian Planning Commission:

Re: Property CT# [REDACTED] Ref: 16513-16184

We have lived at this property, [REDACTED], Kettering for > 40 years, The rural environment has always been the principal reason for us choosing to reside in this area.

We completely agree with and endorse the recommendation of the Ireneinc report to be included within the **Rural Living Zone**.

Yours sincerely
Julie and Chris Short
