Subject: CM: Tas planning Scheme LPS Environmental Living Zone

TO: Mr Nick Heath, Chair.

Dear Mr Heath,

Thank you for notifying me of the report on the former Environmental Living Zone.

I have lived at [REDACTED] Kettering since 1999 and I love that I am living in the bush. We chose to live here and I realise that we are in a bushfire zone.

I am happy to be moved to the Landscape Conservation Zone. I have read why this zone is being introduced and I am so glad that our environment is being protected. I had thought about placing a conservation covenant on my land and had discussed this with the TLC and the Kingborough Council, but now I feel that it will be protected and will not have to do that.

Thanks again for your notice.

Yours faithfully,

Susan Friend
