File Number: PSA-2026-1

Author: Adriaan Stander, Lead Strategic Planner

Authoriser: Deleeze Chetcuti, Director Environment, Development & Community Services

EXECUTIVE SUMMARY

- 1.1 Council is in receipt of an application from ERA Advisory seeking an amendment to the Kingborough Interim Planning Scheme 2015 (KIPS 2015) under section 33(1) of the former provisions of the *Land Use Planning and Approvals Act 1993* (LUPAA).
- 1.2 The application seeks to rezone land at 11 Spring Farm Lane, Kingston (Title reference 189699/1), which will accommodate the Spring Farm Village Centre Shopping Centre, that is currently nearing completion. The proposal seeks to rezone the entirety of the land that forms part of the approved development area to the Commercial Zone, ensuring the shopping centre site is contained within a single zone.
- 1.3 The proposal also includes a request for a SSQ to enable a bottle shop as a discretionary use on the site, noting that this use is otherwise prohibited within the Commercial Zone.
- 1.4 At its [meeting of 20 April 2026](#), the Planning Authority decided to initiate the amendment and to proceed with exhibition of the proposal.
- 1.5 The proposal was exhibited between 29 April and 26 May 2026. During the exhibition period, no representations were received.
- 1.6 The purpose of this report is to consider the representations (if any) as per the requirements of s39 of the former provisions of the Land Use Planning and Approvals Act 1993 (LUPAA). Given that no representations were received, the report is dealt with under delegated authority.

2. PUBLIC EXHIBITION AND REPRESENTATIONS RECEIVED

- 2.1 The amendment was exhibited between 29 April and 26 May 2026, as follows:
 - a) on the [Kingborough Council website](#);
 - b) in the Mercury, with one notice on a Saturday;
 - c) site notices on the subject land during the public exhibition period; and
 - d) in writing to the applicant, owners of the property, adjoining properties and TasWater.
- 2.2 The exhibition material was available for viewing on the Kingborough Council website and at Customer Service at the Civic Centre in Kingston.
- 2.3 No representations were received during the exhibition period.

3. CRITICAL DATES / TIME FRAMES

- 3.1 Council has 35 days from the close of the notification period (i.e. 26 May 2026) to forward its s39 report (the report on the representations) to the TPC.
- 3.2 The TPC must complete its consideration and decision process within three months of receiving Council's report on the representations, unless an extension of time has been agreed by the Minister.
- 3.3 If the TPC approves the amendment, the amendment takes effect seven days after being signed by the Commission, unless a date is specified.
- 3.4 It is likely that the planning scheme amendment will be finalised before the implementation of the Tasmanian Planning Scheme in Kingborough. The Transitional Provisions under Schedule 6 of LUPAA will be utilised to carry the proposed amendment over to the Kingborough Draft LPS / Tasmanian Planning Scheme if it is approved by the TPC.
