Dear Ms Goodman

Meander Valley draft Local Provisions Schedule Confirmation of Hearing Directions

I refer to the Meander Valley draft Local Provisions Schedule (LPS) and to the hearing held at the Meander Valley Council Office in Westbury on 23 May 2019.

At the hearing the Commission gave the following directions:

1. TasNetworks is to provide to the Commission and planning authority, by close of business, on or before **5 June 2019**, a submission on:
 - (a) the extent of use or development and works for electricity infrastructure, that would be exempt from requiring assessment under the Meander Valley draft LPS due to the operation of the *Electricity Supply Industry Act 1996* and regulations; and
 - (b) the extent of use or development and works for electricity infrastructure that would not be exempt from requiring assessment under the Meander Valley draft LPS, Landscape Conservation Zone and Travellers Rest Specific Area Plan.

Submissions are to be provided by email to tpc@planning.tas.gov.au. Where attachments are too large for email, please contact the Commission for assistance with accessing Dropbox. The Commission keeps electronic records and does not require hard copy documents.

All submissions will be made available on the iplan website at www.iplan.tas.gov.au/Pages/XC.Track.Assessment/SearchAssessment.aspx?id=750.

Please note that submissions will be published in full, without redaction.

If the hearing is to be reconvened, the Commission will advise the parties and publish a notice.

If you require further information please contact Luke Newman, Planning Adviser, on 6165 6816.

Yours sincerely

John Ramsay
Delegate (Chair)
