Dear Mr McIver,

## **Tasmanian Planning Scheme Devonport draft Local Provisions Schedule**

I refer to the hearing held for the Devonport draft Local Provisions Schedule (draft LPS) on the 26 and 28 August 2020.

The Panel is currently considering the information obtained at the hearing and provided in the section 35F report. As discussed at the hearing, the Delegates require clarification on the following matter:

- Confirmation of the application of the Rural Zone to parcels of land at Tugrah referred to on page 30 of the section 35F report, for Representation 13 recommended action 2(j). As these particular parcels of land do not have a property address, folio of the Register number or a PID number, a map is required so the cadastral parcels to be clearly identified.

Please submit your response to [tpc@planning.tas.gov.au](mailto:tpc@planning.tas.gov.au).

If you need clarification on any matters, please contact Mary Bessell, Planning Adviser, on 03 6165 6826.

Yours sincerely

Ann Cunningham  
**Delegate (Chair)**
