Dear Mr Nelson

## Clarence draft Local Provisions Schedule

I refer to Mr Ford's email of 25 February 2021 requesting an extension of time to provide the response to the Commission's direction on matters relating to the Safeguarding of Airports Code overlay mapping. Mr Ford notes that a further four week extension is likely sufficient time to provide the revised Airport Code Mapping.

The Commission agrees to extend the deadline for the response to the directions.  
The submission must be provided to the Commission by close of business on **26 March 2021**.

Submissions are to be provided by email to [tpc@planning.tas.gov.au](mailto:tpc@planning.tas.gov.au). Where attachments are too large for email, please contact the Commission for assistance with accessing Dropbox. The Commission keeps electronic records and does not require hard copy documents.

All submissions will be made available on the Tasmanian Planning Commission's website at [www.planning.tas.gov.au](http://www.planning.tas.gov.au). Please note that submissions will be published in full, without redaction.

If you require further information please contact Claire Armstrong, Planning Adviser, on 6165 6831.

Yours sincerely

John Ramsay  
**Delegate (Chair)**
