Dear Ms Gray

Clarence draft Local Provisions Schedule – Cambridge Airport

I refer to your letter dated 22 March 2021, which requested that your concerns relating to the Cambridge Airport be considered as part of the current Clarence draft Local Provisions Schedule (LPS) assessment process. The Commission referred your request to the planning authority which has agreed the matter should be considered as part of the current process.

The Commission notes your submission that the matter is of strategic importance to the continued viability of the Cambridge Airport. The Commission therefore accepts your submission as part of the Clarence draft LPS assessment and it will be made available on the Commission's website.

The planning authority has requested that the hearing be reconvened so that the issues into the airport mapping for both Hobart and Cambridge Airport can be further considered. The Commission will provide its response to this request shortly.

If you require further information please contact Claire Armstrong, Planning Adviser, on 6165 6831.

Yours sincerely

John Ramsay
Delegate (Chair)
