Subject: Rezoning of Rosny Hill from Recreation to Environmental Mangement

Amendment 2021-022803

Attention: General Manager

I am in support of changing the zoning of Rosny Hill to Environmental Mangement.

This I believe will reflect more the needs of the community surrounding The Hill plus lead to a more intelligent use of the area. This in turn will reflect a broader view of the area by the council which protects it for future generations.
