Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I have read and fully endorse the submission made by Our Place - Hobart.

I am extremely concerned that the public have not been made aware of the full details of the agreement between the AFL and our government.

I see it as outrageous that an outside body, the AFL, should be allowed to dictate to our government regarding placement of a Stadium.

Additionally I am most unimpressed with the extremely tight time frame allowed for submissions on this project. Please do all you can to make this whole process as transparent as possible

Yours faithfully,

William Thomas
