Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

Hobart is a uniquely beautiful city, surrounded by natural and heritage environment. A huge stadium at the very entrance to hobart will detract from all the city has and will damage tourism. The lack of public transport and travel options will create congestion. I am concerned that the govt and afl are pushing through deals that do not reflect the will or interest of most hobartions or the city council. Lessons need to be taken from other cities that now have "dead zones" surrounding monolithic stadiums on prime housing and community land.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Nicolette Johnston
