Subject: Submission against building of the stadium

To whom it may concern
I would like to make a submission against the stadium for several reasons.
Number one - Tasmanian healthcare and education are in crisis and I feel this money proposed could be much better used there. Also, I find there is a lack of transparency in releasing the submission now, right before christmas, and ending before people get back to work.
I would call for the deadline to be extended until 8th Feb.

Kind regards

Rachel Andrew
