Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I would like the guidelines to genuinely consider the opinions and requests of the public, including moving the stadium to Macquarie point to prevent it from being visible from the waterfront.

To reveal the plan for handling the increased traffic around the already busy and congested planned proposed site and parking plans for stadium visitors.

I would like the guidelines to consider the historical and heritage areas that exist and prevent their damage or destruction and the Aboriginal cultural and heritage requests.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Vicki O'May
