Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I was born in Hobart and am a resident of New Town. I am not against an AFL team. However, I am appalled by the Stadium process so far. The lack of transparency and secrecy so far needs to be stopped by guidelines so we Tasmanians can understand what the Government is exactly getting us into.

I have read and fully endorse the submission made by Our Place - Hobart.

Politicians come and go, but we Tasmanians and particularly Hobart residents will suffer the consequences for generations to come if the building of this expensive Whim goes ahead.

Yours faithfully,

Gill Martin
