Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

My name is Anne. I am concerned that the very extensive proposals for a new stadium in Hobart are quite excessive to the needs of Tasmanians for venues for sporting or other events, and that the whole proposal has arisen in response to pressure from AFL sources. I am concerned that the Premier has committed Tasmanians to a major contractual and economic burden without actually consulting with Tasmanians beforehand. I am concerned that the processes around making this proposal a matter of "State Significance" will mean that appropriate guidelines and checkpoints will be rushed and ignored. I am concerned that any evaluation of the proposal needs to be independent and transparent to avoid political interference. I therefore support the "Our-Place-Hobart" submission.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Anne Brelsford
