Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am someone who sees the impact of homeless, mental health, sub standard education as well as live in area where don't even have gutters but pay high rates. I know the benefit of sporting facilities for people but they need to be accessible for all. Like a swimming pool, walking tracks. Football stadium is for one purpose only to entertain the rich and I for one have had enough of that.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Annemarie Palmer Palmer
