

Project of State Significance

Macquarie Point Multipurpose Stadium

Meeting: Meeting between Tasmanian Planning Commission and Macquarie Point Development Corporation on matters of process

Date and Time: 29 February 2024 2:00 PM

Location: TPC Hearing Room (level 3, 144 Macquarie Street)

A meeting between the Tasmanian Planning Commission and the Macquarie Point Development Corporation on matters of process was held on Thursday 29 February 2024.

The issues discussed were:

- the process for the submission and acceptance of reports;
- the level of design required for the submitted plans;
- the anticipated scope of what will be an identified agency with an interest in the project;
- the process for the Macquarie Point Development Corporation to respond to matters raised by the Council and relevant agencies, and whether further information can be provided as part of that response;
- the hearing process and how it will be structured;
- cultural landscape assessment methodology; and
- the consideration of transport and the Macquarie Point site in the assessment.
