Dear Ms Allan

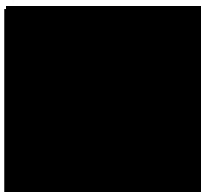

Bell Bay Wind Farm Major Project Referral of relevant representations on the draft assessment criteria

Thank you for your letter of 4 November 2024 referring representations received by the Development Assessment Panel on the draft assessment criteria for the proposed Bell Bay Wind Farm Major Project to the Department of Natural Resources and Environment Tasmania (NRE Tas).

NRE Tas has reviewed the representations. In accordance with the Department's role as a participating regulator under the *Land Use Planning and Approvals Act 1993* (LUPAA), NRE Tas will not be providing an alteration notice in accordance with section 60ZL of LUPAA to its previously issued assessment requirement notice.

Should the Tasmanian Planning Commission want to discuss this matter further, the NRE Tas contact officer is Ms Sonia Mellor, Principal Advisor – Policy and Planning. Ms Mellor can be contacted via phone on 0436 636 279 or via email at sonia.mellor@nre.tas.gov.au.

Yours sincerely
