Subject: CM: Feedback on Ireneinc proposed zoning, reference 19293-3215

To whom it may concern,

My wife and I made a representation to council and the planning commission via Mr Caleb Elcock that we were dissatisfied with the proposal to change our zoning to environmental conservation.

I am writing to you to express that my wife and I wish to support the recommendation made by Ireneinc over our property, title number [REDACTED] ([REDACTED] Kingston). Ireneinc have recommended a rural living zone, which is our preference.

If you have questions, please let us know.

Best regards,

Akram Hameed and Briony Hutton
