Subject: CM: Proposed Zoning for [REDACTED] Blackmans Bay

Hi,

I'd like to confirm I'm happy for my property at [REDACTED] in Blackmans Bay to be zoned Rural Living as per your recent letter to me states. The prior recommendation for Landscape Conservation Zone.

My understanding is that this zoning nomination was changed after the submission of the Ireneinc report, one that I support for my property as per my presentation at the hearing.

Thank you for your efforts in the matter

Regards,
