Subject: Kangaroo Bay Hotel - major project permit

Dear Sir/Madam, to whom it may concern,

My name is Ed Rivett and I am a resident and ratepayer located in Bellerive and I wish to contribute to the submissions regarding the future of this project. My points are as follows,

- This project has dragged on far too long and Chambroads time is well and truly up.
- Chambroad have shown themselves to have scant regard for process or outcome.
- By not coming up with anything at all worthwhile or appropriate in the given time frame, Chambroad shows contempt for both residents and public alike.
- Kangaroo Bay needs to be returned to the City of Clarence and due process needs to take place.
- I believe this project should not be approved.

I appreciate the opportunity to be heard
Thank you and regards,
Ed Rivett
