**Subject:** Stadium Additional Cost Information

Dear Kath,

As a result of the hearing process and matters that have emerged, the Mac Point Stadium Assessment Panel seeks additional cost information.

The Panel has requested that you provide the Commission with the current capital cost estimates for the construction of the stadium through to its operation for major individual elements, detailing assumptions on contingencies, and escalation allowances risks for each element.

The availability of this information will assist the Panel with its assessment.

As is usual practice, this request will be published on the Commission website.

Best regards,

John
