43 Acton Road Acton Park Tas 7170

**Submission**

The Acton Park Corridor has numerous five acre lots that are unable to be subdivided under the existing legislation. The area is being inundated with housing right through the corridor. The Lauderdale end in particular, especially near the primary School (where I am) has seen increasing growth over the last ten to fifteen years. Owners of properties that I have spoken to all want to be able to rezone their land to Residential status thereby allowing them to subdivide.
