Good afternoon,

Draft Planning Scheme Amendment PLAM-20/01 for 52 Albert Road, Moonah was exhibited by the Planning Authority from 29 July 2020 until 26 August 2020.

No representations were received.

Please note that TasWater indicated they do not object to the proposed amendment to the Interim Planning Scheme as mentioned above and has no formal comments for the Tasmanian Planning Commission in relation to this matter and does not require to be notified of nor attend any subsequent hearing (document dated 20 May 2020 and previously provided to the TPC)

In accordance with section 39(2)(c), former provisions, of LUPAA, following exhibition, the planning authority does not recommend any changes to the draft amendment.

Council officers have delegation to advise the TPC directly under Sections 39, former provisions, of LUPPA if no representations have been received - see attachment.

TPC fees were paid on 30 July 2020.

Please call or email Grace Paisley - see details below - if you have any further questions
