**Response to Direction Letter of 13 September 2021 re 2127 West Tamar Highway, Lanena – Representation No 11**

Dear Commissioner

You have requested written evidence that all registered owners of 2127 West Tamar Highway, Lanena, folio of the register 158572/1 support the application of the Landscape Conservation Zone to the property.

As I have power of attorney for my wife's affairs due to her ill health I can confirm that she would also support the rezoning request. I am happy to provide written evidence of my power of attorney if required by the Commission.

Yours sincerely
