Subject: PDPSAMEND-2021/022803 Rezoning Rosny hill

Dear Sir/Madam,

I am writing to you to support Rosny Hill being zoned as Environmental Management.

The re-zoning will encourage the protection of the reserve as an area of natural and cultural importance. It is my hope that this area will be preserved for years to come through better care, protection and management. Currently, this area is often used as an area for hooning, partying and graffiti as well as other anti-social behaviour. In the future, as Rosny Hill's use changes, we need to work harder to preserve the beauty, tranquillity and natural heritage of the area. Such sites in Tasmania are disappearing through growth and development or disrespect and it would be a shame to lose another area of our 'natural state' by a refusal to rezone Rosny Hill.

I would be happy to discuss this with you further.
