Comments	<p>TP Bennett and Sons purchased this property in 2014 as it was considered "land locked" due to access through other properties and which are not formed.</p> <p>TP Bennett and Sons owns the majority of Dorset Hill - with all titles been Rural Resource proposing to move to Rural. However this one title is proposed to move from Rural Resource to Landscape Conservation. We oppose this change, and recommend that the area be parcelled with the rest of the property as Rural. The subjected land holds no quality conservation values (both Adrian and Neil are qualified Forest Practices Officers) as it has been heavily cut over for firewood by the previous owner/s.</p> <p>We therefore provide this representation in that title 149276/2 be classified as Rural and not Landscape Conservation. More than happy to arrange a site inspection should this be required.</p>
