Dear Mr Power,

George Town Draft Local Provisions Schedule (LPS)

I refer to the George Town draft LPS and the hearings held by the Tasmanian Planning Commission (the Commission) on 21, 22 and 23 March 2023.

I also refer to the planning authority's report under section 35F of the *Land Use Planning and Approvals Act 1993* on the representations and its recommendations about the representations made about the draft LPS.

At the hearing, the Commission identified matters on which it requires further information from the planning authority and some other parties. The directions on these matters are set out in the attached directions schedule (Attachment A).

Due dates for directed submissions are listed in the schedule. Further submissions by parties wishing to respond to any of the information received, must be made no later than 7 days from the documents being placed on the Commission's website.

Yours sincerely

Ann Cunningham
Delegate (Chair)
