Subject: RE: George Town draft LPS- extension of time

Hi Paula

In response to your email, I am formally requesting an extension of time to respond to TPC Directions dated 31 March 2023. Specially this correspondence deals with those matters relevant to Bell Bay, specifically items:

- Planning Authority 5
- TasPorts (Representation 25)
- Office of the Coordinator General (OCG - Representation 34)
- 6ty Pty Ltd for Bell Bay Aluminium (Representation 36)

As per the commissions directions, coordination between the parties prior to formally responding has been recommended.

I can confirm that a meeting was held at George Town Council chambers on Thursday 20th April to discuss the Commissions directions. Present at the meeting were:

- George Town Council
- TasPorts
- Bell Bay Aluminium
- OCG
- TasRail

In providing a coordinated response to the Commissions directions, an extension of time is requested by the relevant parties. This extension of time was generally discussed at the meeting last Thursday and my understanding is no one had any concerns on such an extension being sought.

An extension until the **26th May 2023 (4 weeks)** is requested by:

- Planning Authority 5
- TasPorts (Representation 25)
- Office of the Coordinator General (OCG - Representation 34)
- 6ty Pty Ltd for Bell Bay Aluminium (Representation 36)

A response will be provided prior to this time should it be available.

If you have any questions, please don't hesitate to get in touch.

All relevant parties have been cc'd into this email.

Kind regards

James Stewart

Subject: George Town draft LPS- extension of time

Good morning James,

I am contacting you in relation to your request for an extension of time. The Commission's delegates have requested that you inform us of which parties/matters are requesting the 4 week extension. Also, could you please cc those parties in your email.

Following that, the Commission can update all relevant timeframes in the Direction, and send it out to all parties.

Please feel free to contact me if you have any questions.

Kind regards,

Paola Barlund
