## **Checklist of application documents:**

Taken from Section 6 of the Planning Scheme

An application must include:

- (a) a signed application form;
- (b) any written permission and declaration of notification required under s.52 of the Act and, if any document is signed by the delegate, a copy of the delegation;
- (c) details of the location of the proposed use or development;
- (d) a copy of the current certificate of title for all land to which the permit sought is to relate, including the title plan; and
- (e) a full description of the proposed use or development.

In addition to the information that is required by clause 6.1.2, a planning authority may, in order to enable it to consider an application, require such further or additional information as the planning authority considers necessary to satisfy it that the proposed use or development will comply with any relevant standards and purpose statements in the zone, codes or a specific area plan, applicable to the use or development including:

- (a) any schedule of easements if listed in the folio of the title and appear on the plan, where applicable;
- (b) a site analysis and site plan at a scale acceptable to the planning authority showing, where applicable:
  - (i) the existing and proposed use(s) on the site;
  - (ii) the boundaries and dimensions of the site;
  - (iii) topography including contours showing AHD levels and major site features;
  - (iv) natural drainage lines, watercourses and wetlands on or adjacent to the site;
  - (v) soil type;
  - (vi) vegetation types and distribution including any known threatened species, and trees and vegetation to be removed;
  - (vii) the location and capacity and connection point of any existing services and proposed services;
  - (viii) the location of easements on the site or connected to the site;
  - (ix) existing pedestrian and vehicle access to the site;
  - (x) the location of existing and proposed buildings on the site;
  - (xi) the location of existing adjoining properties, adjacent buildings and their uses;
  - (xii) any natural hazards that may affect use or development on the site;
  - (xiii) proposed roads, driveways, parking areas and footpaths within the site;
  - (xiv) any proposed open space, common space, or facilities on the site; and
  - (xv) proposed subdivision lot boundaries;
- (c) where it is proposed to erect buildings, a detailed layout plan of the proposed buildings with dimensions at a scale of 1:100 or 1:200 as required by the planning authority showing, where applicable:
  - (i) the internal layout of each building on the site;
  - (ii) the private open space for each dwelling;
  - (iii) external storage spaces;
  - (iv) parking space location and layout;
  - (v) major elevations of every building to be erected;
  - (vi) the relationship of the elevations to existing ground level, showing any proposed cut or fill;
  - (vii) shadow diagrams of the proposed buildings and adjacent structures demonstrating the extent of shading of adjacent private open spaces and external windows of buildings on adjacent sites; and
  - (viii) materials and colours to be used on roofs and external walls.
