Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am one of the leading recreation and open space planners in Australia. I provided a formal submission in the initial engagements. In short, this is the wrong facility in the wrong location. The site lines that make Hobart unique, will be ruined by this facility. The community value will be extremely limited, if at all. There really isn't any upside to this project, other than the AFL team.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Neal Ames
