Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

Overall, the opportunity cost to the people of Greater Hobart should be considered - what we stand to lose by the adoption of this coercive project. The project should stand or fall on its own merits, not because a Tasmanian AFL team is seemingly contingent upon its construction. If there are better options for the site - as there most certainly are - then the loss of those options should be made relevant.

Finally, the people of Greater Hobart should be allowed adequate time, outside of holiday periods, to comment at every appropriate stage of the assessment.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Melanie Archer
