Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

I am a voting member of the public of Tasmania and as such do not endorse the decision of the Tasmanian Government to push through plans to build a stadium at Macquarie Point in nipiluna Hobart. Governments come and go and this financial debt accruing Stadium will such money out of us all for years to come. We should get to say what we spend our revenue on in this State and not the AFL.

The current proposed site is an arrogant ill-conceived especially regarding traffic flow and congestion.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Carol Barnett
