Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I have lived in Hobart most of my life (although have also lived interstate and overseas). I'm very concerned about the proposed stadium, particularly how it will look, dwarfing our beautiful wharf area.

I have read and fully endorse the submission made by Our Place - Hobart.

It's vital that there be full transparency of communications between the AFL, the government and any consultants involved.

The guidelines need to ensure any consultants are independent, at arm's length from the Tasmanian Government and that they have not been discredited.

The guidelines need to ensure full photo montages that realistically show Tasmanians the size and scale of the proposed stadium.

Yours faithfully,

Laura Cini
