Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

I have read and fully endorse the submission made by Our Place - Hobart.

I am particularly concerned that there be full disclosure of all communications between government, the AFL and all consultants

I share Our Place's concerns about the Government's attempts to limit input to this process by the imposition of appalling timelines

I want the guidelines to highlight the the State Government's role in ensuring long-term traffic planning for the citizens of Hobart instead of contorting traffic routes as a knee-jerk response to a stadium proposal

I want the guidelines to give proper weight to the expressed need for meaningful Aboriginal reconciliation at the Mac Point site

I want the guidelines to ensure that no discredited consultants such as PwC (PricewaterhouseCoopers) are engaged in the assessment process

I don't want the guidelines to reflect an assumption that Tasmanians can't have AFWL and AFL teams without having a costly, poorly-planned and ugly stadium at Mac Point

I want the guidelines to ensure that all project consultants be at arm's length from the Tasmanian Government

I want the guidelines to set out requirements for photo montages that show Tasmanians realistic images of the proposed stadium and its overwhelming impact

I want the guidelines to give proper weight to considerations impacting on the quality of life of Hobart residents who live in the vicinity of Mac Point.

Yours faithfully,

Bernadette O'Brien
