**Subject:** Electricity transmission infrastructure protection code.

[You don't often get email from lynetteajones00@hotmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification> ]

I would like to lodge my concern and objection to the Electricity Infrastructure protection code that has been released from our council as it shows the proposed electricity lines coming straight across my property at 391 Staverton Road Promised Land. I have a business with an accommodation cottage on this property close to those lines and it is unacceptable having them in the vicinity of my business as it will impact on its occupancy greatly.

I sincerely hope to hear from you with a positive outcome.

Kind regards

Lynette Jones
