Subject: Kangaroo Bay Hotel- Major Project

Dear Sir/Madam

The last time I looked, the proposed Chambroad Hotel in Kangaroo Bay did not meet any of the criteria where it could be classed as a major project for Tasmania. I am unsure why this has changed. I am even more unsure why you are even considering this whilst the land ownership is before the Supreme Court. In any case, the proposal remains inappropriate and of no value to Tasmania.

I object in the strongest terms.

Yours sincerely,
Zane Yasuda
