Dear Ms Linda Graham and Kingborough-LPS assessment panel,

Please see the below response from Mr and Mrs Fehre in response to the TPC's letter dated 02 April 2026. I believe that this went to a different email (an older previously used one) than the one on the previously mentioned letter.

I am happy to provide in-person advocacy for their proposed zoning outcome at hearings on behalf of the Fehres should you require additional justification for their position as stated in the below attached response.

Regards,

Caleb Elcock

We do not think that splitting our property into two different zones makes any sense. We believe that it should be all under rural living.

Thanking you in this matter,

Colin and Sandra Fehre

Dear Colin and Sandra

ACKNOWLEDGEMENT OF REPRESENTATION ON THE KINGBOROUGH DRAFT LOCAL PROVISIONS SCHEDULE

Thank you for your representation regarding the Kingborough Draft Local Provision Schedule (Kingborough's component of the Tasmanian Planning Scheme).

At the conclusion of the exhibition period, all representations will be considered and summarised in a report to Council (to be considered at a public Council Meeting, most likely in early 2025). The Council report will also include responses, feedback and any recommendations to alter to the draft Local Provisions Schedule that was exhibited that arise from the content of the representations. That report is then required to be forwarded to the Tasmanian Planning Commission for the process to continue.

The representations and Council's recommendations will be published on the Commission's website.

Following submission of the recommendation report, representors will be invited to attend public hearings hosted by the Commission. The public hearing process enables representors and Council to present its views/arguments in support or against changes to the Kingborough Draft Local Provisions Schedule before a final decision is made and before the Tasmanian Planning Scheme comes into effect in Kingborough.

For updates on the above process, please view [Council's website](#) or the [Tasmanian Planning Commission's website](#).

If you have any further queries regarding the above, please contact Council on (03) 6211 8200.

Yours sincerely
