Subject: CM: TasWater Submission re [REDACTED] Blackmans Bay

Good morning,

TasWater confirm that we are satisfied with the previously proposed and exhibited zoning, being Landscape Conservation Zone, surrounding the Blackmans Bay Sewerage Treatment Plant (itself zoned Utilities) and the split zoning that this entails across the land at [REDACTED].

TasWater are happy to attend any further hearings regarding this matter and any other potential zonings for this land, with myself as the representative.

Regards
