Dear Ms Linda Graham,

I, Cheryl Bain, would like to reaffirm my position of a Rural Living Zone outcome for the property of CT [REDACTED] and CT [REDACTED], [REDACTED] as identified in TPC correspondence Ref: DOC/26/36829 dated 02 April 2026, as was also indicated within my landowner statement tendered to the Elcocks, their reference 16911-718.

Should it be required I would be happy for either of the Elcocks to advocate on my behalf for the above zoning outcome, and would also require myself to be informed of dates and times for hearings if such a scenario materialises. Please provide an email of receipt of this correspondence.

Kind regards,

Cheryl Bain
