Dear Ms Bricknell

Tasmanian Planning Scheme - Northern Midlands
Draft amendment 25-2026

I refer to my letter of 25 September 2026 last seeking a heritage report from a suitably qualified person for consideration at the hearing of draft amendment 25-2026.

The Commission subsequently accepted your advice that it was not possible for the planning authority to provide such a report at the then scheduled hearing date.

As a result, the Commission rescheduled the hearing for Monday 9 November 2026.

Could you please advise whether the planning authority will provide a heritage report in support of the amendment, and if so when it will be available.

Provision of any report 7 days before the scheduled hearing would be appreciated.

Yours sincerely

John Ramsay
