

Assessment process for draft state policies

Part 2, State Policies and Projects Act 1993

Initiation

Minister directs the Commission to report on the draft Policy

Commission exhibits the draft Policy for 8 weeks

Any person may make a representation to the Commission during the exhibition period

Assessment

Commission considers the representations

TPC may hold a hearing

Commission may modify the draft Policy after considering the representations

Reporting

Commission reports on the draft Policy to the Minister

Commission gives notice of its report in the Gazette and makes the report publicly available

Minister may recommend the making of a State Policy

State Policy must be approved by each House of Parliament before it can take effect
