Dear

Launceston Interim Planning Scheme 2015
Draft amendment 58 and permit DA0472/2018 - 40520 Tasman Highway, St Leonards

I am writing to advise that a hearing into the draft amendment and permit above will be reconvened on **20 November 2020**, commencing 10am at our office and via Microsoft Teams.

If you intend to appear at the hearing, you must complete the attached hearing attendance form and return it to the Commission by the close of business **13 November 2020**.

On 19 October 2020, the Commission wrote to the parties seeking submissions as to whether to adjourn the matter sine die, until adoption of a relevant local strategy. The applicant and planning authority have requested that the hearing be reconvened to allow further examination of the local strategy issues raised by the Commission as a basis for adjournment.

In light of the extensive submissions already received, in writing and at the hearing of 5 August 2020, the Commission directs that any further written submissions be confined to issues associated with the local strategy as a basis for adjournment.

Any submissions must be made by email to tpc@planning.tas.gov.au.

Once received, the submissions will be made available on the iplan website at:
<https://iplan.tas.gov.au/Pages/XC.Track.Assessment/SearchAssessment.aspx?id=937>

Please note that submissions will be published in full, without redaction.

These documents will also be published on a new Commission website being launched in early November. From that time you will be directed to the new website from the iplan website.

If you require further information or are unable to access the website please contact Lauren O'Brien, Planning Adviser, on 6165 6813.

Yours sincerely

Marietta Wong
Delegate (Chair)
