Subject: Draft Tasman LPS Submission, Tasmania Fire Service

Categories: Recorded

File: AD3697

Attn: General Manager

I am writing to indicate that Tasmania Fire Service (TFS) supports the proposed provisions of the LPS for the Tasman municipal area. The recently adopted Bushfire-Prone Areas overlay for the Interim Scheme remains suitable to use for the LPS and TFS has no submission on the other LPS content. TFS is available to assist Council or the Commission if there are any queries about the overlay.

If required please contact bfp@fire.tas.gov.au .

Regards

Mark
