Subject: Representation on the Launceston Draft Local Provisions

Attention: Michael Stretton, CEO, City of Launceston

I, along with the estate of R Anspach, are the owners of the 98.4 ha conservation property in the Launceston municipality at 163 East Diddleum Road, Tayene, (PID 6933135, Title Ref. 49914/1).

In the currently exhibited Launceston Draft Local Provisions Schedule this property has been rezoned as Agriculture. As all of the property is covered by the Diddleum Plains private reserve protected by conservation covenant and has therefore been identified by both the State and Commonwealth Governments for protection and conservation of the biodiversity it contains, the Tasmanian Planning Commission Guideline No 1 indicates that they should be rezoned to Landscape Conservation.

In its representation Conservation Landholders Tasmania has presented a detailed case for rezoning our property. We support their case and agree to our property being rezoned to Landscape Conservation.

Could you please acknowledge receipt of my representation?

Chris Calverley, 163 East Diddleum Road, PO Box 1386 Launceston
