Dear General Manager,

RE: Representation for the Huon Valley Council's advertised zoning of our property

ADDRESS: 390 Slab Road, Cygnet, Tasmania, 7112

We, owners of the above property, would like to submit the following representation that objects to the proposed Landscape Conservation zoning as put forward by the council as part of the advertised draft Local Provisions Schedule submission. We believe that the more appropriate zone of Rural Resource should be applied as it better fits with our property.

As we were not made aware of this re-zoning until quite late in the process and exhibition period, we are unable to engage with the appropriate legal planning counsel at this time to address the relevant points on our behalf. Therefore, we shall be abstaining from making further comment other than requesting that our objection and that the above zone change be considered, and that we invoke our right to be afforded an opportunity to have our matter heard at the Tasmanian Planning Commission's hearing should further information be required to speak to our objections. We also reserve the right to bring further objections to

this hearing should they arise from engaging with appropriate counsel.
